

Are you kidding? All we talk about is Maria's cooking and how much we enjoy it.

Mary Diaconis

Maria is a fabulous cook and wonderful hostess. Eating a meal prepared by Maria is like dining at a five-star restaurant with a homey touch. I am thrilled to have her cook book to share her collection of delicious recipes, especially her scrumptuous koulourakia. Maria's cook book is one that I will use over and over again.
